P—Fine Art Print

All original works are painted on Japanese paper with ink.

Fine art prints are printed on the high-quality art paper and on the pigment printer, including the handmade Japanese art paper from the Awagami Factory in Japan.

The number of all fine art prints is limited to 50 pieces per image. The prints are available to order in different sizes or as an original work on request.

All works are signed by the artist with her name on the front or back and/or signed with a Japanese stamp (Japanese artistic name of the artist).
